..and the election of our office bearers for 2006. It's an opportunity to get involved in our school.

The parent committee is the body responsible for operating the school, taking an very active part in supporting the running of the school and organising a number of special events throughout the year in cooperation with our teachers.

As with every year, all the positions will be made vacant and anyone may offer themselves as a candidate for some of the key roles helping the school. President, Vice-President, Secretary, Cashier and Treasurer. In addition, all the normal positions on the Committee open and all committed, energetic people are welcome to join.

And don't worry if you have never done this before, on the job training is provided, along with the morning brezels and fresh coffee during the fun monthly committee meetings.

Meint die Kleine treuherzig: "Wieso, Mutti, ich tue ihm doch gar nichts."
