Lessons in the Park

November 25th is Election Day in Victoria, and the Clifton Hill Primary School will be holding a fete, and thus require the use of its grounds and classrooms. Normally we would use the Organ Factory building across the road, but this year we will have the lessons at the end of Page St, in Darling Gardens at the corner of Gold St and South Terrace.

Lessons will end early that day, at 11am.

Children are to be dropped off and collected at the Organ Factory, at the closed off section of Page Street. If the weather is inclement, we will stay at the Organ Factory as usual.

Due to the increased traffic around the school, and the preparations for the fete, it will be difficult to find a parking space, and parents should plan for some delays.

Once the kids are settled either at the park (on a good day) or in the Organ Factory (on a bad day), committee members will be meeting casually at a nearby café and any spare parents are welcome to join. See Michelle.

Christmas Concert Part 1

It's on again! To be held at the Austrian Club again on the 16th December. It's the final German class of the year, and the traditional performance spectacular. Volunteers to report to Sigrid.

Christmas Concert Part 2

We still need attractive items for raffle prizes and the auction, a part of the fund-raising on the day, benefiting the school and the students. Please contribute your item to Michelle before the day of the concert.
