Quarries Park is located at Melways 2D C3 and has something to offer for children of all ages, from adventure play equipment for the little ones to a soccer pitch and skate park for the older ones.

We'll meet near the BBQs near the adventure playground
Please note that this is a family event, all parents and carers must stay for the event. The teachers will organise games and lessons for the students and we'll have pretzels and sausages for sale, so relax and take some time to get to know our new families!
